Christian Theology: An Introduction 3rd Edition

Alister E. McGrath

Christian Theology: An Introduction 3rd Edition Alister E. McGrath

Christian Theology: An Introduction is internationally acknowledged to be among the leading textbooks in Christian theology. This new edition retains all of the highly acclaimed features of the first two editions, whilst incorporating important new material. Using clear and accessible language, the text assumes no prior knowledge of Christian theology, introducing the key ideas, debates, personalities, and schools of thought, clearly and accurately. The third edition has been developed in response to feedback from users. Material relating to Roman Catholic and Orthodox theology have been added, as well as additional illustrative material. Some chapters have also been restructured to allow for easier study. Part II has been expanded and rearranged to allow the inclusion of additional material relating to philosophical theology. Bibliographies have been expanded and updated for every chapter. Avoiding any form of denominational or theological bias, this essential textbook provides full coverage of the first 2,000 years of Christian theological debate, including substantial coverage of historical theology, philosophical theology, and systematic theology. An extensive glossary of theological terms is included, as well as an updated guide to theological resources on the Internet. More details on the third edition of Christian Theology: An Introduction can be found on the accompanying website at <http://www.blackwellpublishing.com/mcgrath>.
