**Hypnoslut:** Of all the mistakes that Jenni's made so far in her short life, trying to win back the affections of her ex-boyfriend hypnotist Dane has to rank right at the top. Dane is not a kind man, and hypnotizes Jenni into turning into nothing more than a nympho bimbo who needs a man a day to spank her - and more. Worse yet, Dane has ensured that she's aware of what she's doing - but unable to stop herself.

**Hypnotics Anonymous:** Mel is in the grips of an addiction to erotic hypnosis, and seeks out the help of her local branch of Hypnotics Anonymous, a safe place full of people who can help her to recover from a lifetime of sexual escapades she had no control over. She tells her story, grateful to finally meet people who understand her, but as the meeting draws on, Mel realizes that something is terribly wrong - and there is nothing she can do to prevent it.

**The Buggy Seduction of Gaby:** Roger didn't know that the glowing green bugs that he collected were in fact mutant mind control agents. Not until they came to his dreams, telling him that he could use them to have his wicked way with Gaby, a woman he's lusted after since their schooldays. The next time he sees Gaby, he tries one out on her... but does everything really go to plan?
