I Am Malala: How One Girl Stood Up for Education and Changed the World (Young Readers Edition) Malala Yousafzai

I Am Malala. This is my story.

Malala Yousafzai was only ten years old when the Taliban took control of her region. They said music was a crime. They said women weren't allowed to go to the market. They said girls couldn't go to school.

Raised in a once-peaceful area of Pakistan transformed by terrorism, Malala was taught to stand up for what she believes. So she fought for her right to be educated. And on October 9, 2012, she nearly lost her life for the cause: She was shot point-blank while riding the bus on her way home from school.

No one expected her to survive.

Now Malala is an international symbol of peaceful protest and the youngest ever Nobel Peace Prize winner. In this Young Readers Edition of her bestselling memoir, which has been reimagined specifically for a younger audience and includes exclusive photos and material, we hear firsthand the remarkable story of a girl who knew from a young age that she wanted to change the world -- and did.

Malala's powerful story will open your eyes to another world and will make you believe in hope, truth, miracles and the possibility that one person -- one young person -- can inspire change in her community and beyond.

From reader reviews:

Michael Johnson:

In this 21st millennium, people become competitive in each and every way. By being competitive today, people have to do something to make these people survive, being in the middle of the crowded place and notice by means of surrounding. One thing that often many people have underestimated the idea for a while is reading. Sure, by reading a publication your ability to survive increases then having a chance to stand than other is high. In your case who want to start reading any book, we give you this kind of I Am Malala: How One Girl Stood Up for Education and Changed the World (Young Readers Edition) book as a basic and daily reading book. Why, because this book is more than just a book.

Joseph Dolezal:

Nowadays reading books become more and more than want or need but also turn into a life style. This reading behavior gives you a lot of advantages. The huge benefits you get of course the knowledge the rest of the information inside the book this improves your knowledge and information. The information you get based on what kind of publication you read, if you want to get more knowledge just go with knowledge books but if you want to feel happy read one using them for entertaining for instance comic or novel. The particular I Am Malala: How One Girl Stood Up for Education and Changed the World (Young Readers Edition) is kind of reserve which is giving the reader a capricious experience.

Cathie Moss:

People live in this new day of lifestyle always try and must have the extra time or they will get a great deal of stress from both daily life and work. So, if we ask do people have free time, we will say absolutely indeed. People are human not a robot. Then we consult again, what kind of activity do you possess when the spare time comes to you actually of course your answer will be unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative in spending your spare time, the particular book you have read will be I Am Malala: How One Girl Stood Up for Education and Changed the World (Young Readers Edition).

Darlene Gutierrez:

As a university student exactly feel bored in order to reading. If their teacher inquired them to go to the library or even make a summary for some guide, they are complained. Just little students that has reading's spirit or real their interest. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that reading is not important, boring and also can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this I Am Malala: How One Girl Stood Up for Education and Changed the World (Young Readers Edition) can make you feel more interested to read.
