Remember Me Cowboy (Harlequin Intrigue, No. 485) Caroline Burnes

Cowboy come home

Amnesia and a cruel twist of fate forced Slate Walker away from Comfort, Texas. Now he was coming back—to the ranch he didn't recognize, the woman who haunted his dreams...and someone who couldn't afford to let him remember the past....

Lover come home

Slate looked at her through the eyes of a stranger...but the heat in his gaze still seared Cassidy O'Neal, body and soul. She knew Slate could break her heart again—but the reason for the recent troubles on her ranch was hidden in Slate's mind. She had to help him remember, though it meant revealing her secret....

Daddy come home

If Slate remembered the past—their past—he'd know the truth: her daughter...was his.
