## **Cicero: Against Verres in Latin + English (SPQR Study Guides Book 4)** Marcus Tullius Cicero

This new edition of Cicero's *Against Verres – In Verrem*, in Latin – is the perfect study guide for students looking to tackle the text. It breaks the work up into individual chapters, then presents each chapter first in Latin, then in English.

But what makes this edition so special is that each passage is followed by the running Latin vocabulary in the order used in that chapter, with each word presented in its root form alongside a comprehensive English translation - never again will you have to struggle through unknown words or difficult conjugations. This unique feature allows readers of all levels to understand even the most complicated of texts in its original Latin.

All books in the SPQR Study Guides series also feature a multi-level table of contents, to help you navigate to any chapter of any book in just two taps.

The SPQR Study Guides series is designed to make classic works of antiquity available to a modern audience, and the complete series spans 20 great works from ancient times.
