No Such Thing as a Bad Day Hamilton Jordan

"An astounding collection of adventures and observations, woven into a dramatic account that helps to clarify some of the mysteries of our nation's recent history....Hamilton's story offers a rare combination of insight, wry humor, and real inspiration."

-- Jimmy Carter, in the Foreword

Hamilton Jordan has had a life full of personal struggles, from firsthand encounters with racial hatred in the Civil Rights-era South to exposure to Agent Orange as a civilian volunteer in Vietnam and his tumultuous years as the youngest chief of staff in presidential history, under Jimmy Carter. But a more powerful opponent has defined Jordan's life -- cancer. Three times in the last twenty years he has been diagnosed with the disease: non-Hodgkin's lymphoma, melanoma, and prostate cancer. Each time, Jordan credits early detection, being well-informed, and keeping positive as the keys to his survival.

In this beautifully written book, Jordan weaves together his remarkable life to date with the uplifting story of his victories over cancer. Moving, inspiring, and powerful, *No Such Thing As A Bad Day* is a read that no one will soon forget.
