The Prophet of the Great Smoky: Mountains (Classic Reprint) Mary Noailles Murfree

At THE PROPHET OF THE GREAT SMOKY MOUNTAINS. I. ALWAYS enwrapped in the illusory mists, always touching the evasive clouds, the peaks of the Great Smoky Mountains are like some barren ideal, that has bartered for the vague isolations of a higher atmosphere the material values of the warm world below. Upon those mighty and majestic domes no tree strikes root, no hearth is alight; humanity is an alien thing, and utility set at naught. Below, dense forests cover the massive, precipitous slopes of the range, and in the midst of the wilderness a clearing shows, here and there, and the roof of a humble log-cabin; in the valley, far, far lower still, a red spark at dusk may suggest a home, nestling in the cove.
