I have always loved millefiori! Just what is millefiori? The term millefiori is a combination of the Italian words “mille” (thousand) and “fiori” (flowers). It is a glasswork technique which produces distinctive decorative patterns on glassware. More recently, the millefiori technique has been applied to polymer clays and other materials. This book has 50 detailed millefiori patterns and kaleidoscopes to color and will keep you entertained and stress free for hours at a time!
