Educational Psychology (with "Becoming a Professional" CD-ROM), MyLabSchool Edition (9th Edition) Anita E. Woolfolk

This best-selling, classic text provides beginning teachers with the tools and inspiration to become masters of their chosen profession. The Ninth Edition maintains the lucid writing style for which the author is renowned, combined with a clear emphasis on educational psychology's practical relevance. This edition provides especially helpful new material on the non-academic outcomes of schooling, recognizing the challenges educators face in the next decade to keep all schools safe and compassionate. The most applied text on the market, this text is replete with examples, lesson segments, case studies, and practical ideas from experienced teachers. The much-admired theme of *Becoming a Professional* is now further enhanced with information about how text content is specifically related to professional standards and PRAXIS II preparation.
