The Women: A Novel

T.C. Boyle

The Women: A Novel T.C. Boyle

From "America's most imaginative contemporary novelist" (*Newsweek*), a novel of Frank Lloyd Wright and the women in his life.

Having brought to life eccentric cereal king John Harvey Kellogg in *The Road to Wellville* and sex researcher Alfred Kinsey in *The Inner Circle*, T.C. Boyle now turns his fictional sights on an even more colorful and outlandish character: Frank Lloyd Wright. Boyle's incomparable account of Wright's life is told through the experiences of the four women who loved him. There's the Montenegrin beauty Olgivanna Milanoff, the passionate Southern belle Maude Miriam Noel, the tragic Mamah Cheney, and his young first wife, Kitty Tobin. Blazing with his trademark wit and inventiveness, Boyle deftly captures these very different women and the creative life in all its complexity.
