---

On the evening of Sofia Claremont's seventeenth birthday, she is sucked into a nightmare from which she cannot wake. A quiet evening walk along a beach brings her face to face with a dangerous pale creature that craves much more than her blood.

She is kidnapped to The Shade, an island where the sun is eternally forbidden to shine. An island uncharted by any map and ruled by the most powerful vampire coven on the planet. She wakes here as a slave, a captive in chains.

Sofia's life takes a thrilling and terrifying turn when she is selected out of hundreds of girls to take up residence in the tree-top harem of Derek Novak, the dark royal prince.

Despite his addiction to power and obsessive thirst for her blood, Sofia soon realizes that the safest place on the island is within his quarters, and she must do all within her power to win him over if she is to survive even one more night.

Will she succeed? Or is she destined to the same fate that all other girls have met at the hands of the Novaks?

Those guides are helping them to put their knowledge. In various other case, beside science publication, any other book likes A Shade Of Vampire (Shade of Vampire; Book One) to make your spare time much more colorful. Many types of book like this one.

#### **Gail Cote:**

As a college student exactly feel bored to be able to reading. If their teacher questioned them to go to the library as well as to make summary for some publication, they are complained. Just little students that has reading's soul or real their leisure activity. They just do what the professor want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that reading is not important, boring in addition to can't see colorful photos on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this A Shade Of Vampire (Shade

of Vampire; Book One) can make you really feel more interested to read.
