Leviticus: You Have No Idea

Maurice D. Harris

Leviticus: You Have No Idea Maurice D. Harris

Leviticus has been called "irrelevant," "primitive," and "a backwater" of the Bible, even by scholars and people of faith who treasure Scripture. Many find it alienating, or, at minimum, confusing. In *Leviticus: You Have No Idea* Rabbi Maurice D. Harris offers readers surprising new ways of looking at the Bible's least popular (and least understood) book. Grounded in his progressive religious values and beliefs, Rabbi Harris approaches the various laws, rituals, and stories of Leviticus with an open-minded curiosity about what we can learn today about life, ethics, God, and higher meaning by studying this text. Taking the Bible seriously but not literally, Harris uses a plain-spoken, accessible style to explain confusing elements of Leviticus. He explores topics that matter to many of us in contemporary society, including LGBT equality, the dangers of religious fundamentalism, the impacts of childhood trauma, criminal justice reform, and more. With this book, the author invites us into an ancient text that, read with care, challenges us to be better people and help repair this broken world.

From reader reviews:

Frank Jorge:

Reading a book can be one of a lot of activity that everyone in the world likes. Do you like reading book consequently. There are a lot of reasons why people love it. First reading a e-book will give you a lot of new facts. When you read a guide you will get new information simply because book is one of several ways to share the information or perhaps their idea. Second, looking at a book will make you actually more imaginative. When you studying a book especially hype book the author will bring you to imagine the story how the characters do it anything. Third, it is possible to share your knowledge to some others. When you read this Leviticus: You Have No Idea, you are able to tells your family, friends along with soon about yours reserve. Your knowledge can inspire different ones, make them reading a e-book.

Greg Christenson:

Your reading 6th sense will not betray an individual, why because this Leviticus: You Have No Idea publication written by well-known writer we are excited for well how to make book which can be understand by anyone who all read the book. Written inside good manner for you, still dripping wet every ideas and composing skill only for eliminate your hunger then you still skepticism Leviticus: You Have No Idea as good book not only by the cover but also from the content. This is one publication that can break don't judge book by its deal with, so do you still needing a different sixth sense to pick that!?! Oh come on your reading through sixth sense already told you so why you have to listening to another sixth sense.

Miranda Durkee:

This Leviticus: You Have No Idea is brand new way for you who has attention to look for some information given it relief your hunger of information. Getting deeper you on it getting knowledge more you know or you who still having tiny amount of digest in reading this Leviticus: You Have No Idea can be the light food for you personally because the information inside this book is easy to get simply by anyone. These books build itself in the form and that is reachable by anyone, yes I mean in the e-book application form. People who think that in e-book form make them feel sleepy even dizzy this publication is the answer. So there is absolutely no in reading a guide especially this one. You can find what you are looking for. It should be here for an individual. So , don't miss this! Just read this e-book variety for your better life as well as knowledge.

Jesus Geist:

A number of people said that they feel weary when they reading a book. They are directly felt the idea when they get a half portions of the book. You can choose the particular book Leviticus: You Have No Idea to make your current reading is interesting. Your current skill of reading proficiency is developing when you like reading. Try to choose simple book to make you enjoy to read it and mingle the feeling about book and examining especially. It is to be initial opinion for you to like to start a book and examine it. Beside that the e-book Leviticus: You Have No Idea can to be a newly purchased friend when you're truly feel alone and confuse with what must you're doing of these time.
