Playing It by Heart: Taking Care of Yourself No Matter What Melody Beattie

Since the publication of Melody Beattie's groundbreaking book *Codependent No More*, millions of people have confronted the demons of codependency. And yet, many in recovery find themselves slipping back into the old ways that brought them such grief.

In her book *Playing It by Heart*, Beattie helps readers understand what drives them back into the grasp of controlling behavior and victimhood--and what it takes to pull themselves out, to return to the healing, faith, and maturity that come with a commitment to recovery.

Personal essays, inspiring anecdotes, and prescriptive reminders show readers how to stop acting out their painful obsessions. Marked by compassion and keen insight, *Playing It by Heart* explores the author's most intense personal lessons and shows readers that, despite setbacks, recovery is a lifelong opportunity for spiritual growth.

In her many best-selling books, including *Stop Being Mean to Yourself*, *Codependent No More*, and *The Language of Letting Go*, Melody Beattie draws on the wisdom of Twelve Step healing, Christianity, and Eastern religions.
