Residents' Teaching Skills

Residents' Teaching Skills

The editors have collected an impressive array of practical material that will guide any academic medical center in the development of a more focused approach to "teaching the teachers." From learning theory and program development to teaching performance evaluation and specialty-specific materials, Residents' Teaching Skills covers all the bases. I commend this volume to the attention of medical educators everywhere, and residency program directors in particular."

--from the Foreword by Jordon J. Cohen, MD, President, Association of American Medical Colleges

This book provides practical guidance to plan, organize, and run a teaching skills program for medical residents. Readers will find that Part Two offers exact materials for course use, including modules for use with pediatric residents, teaching clinical procedures, works rounds, and role play, plus evaluation forms that can be used as written or customized to fit a particular program.

From reader reviews:

Gregg Spencer:

Within other case, little people like to read book Residents' Teaching Skills. You can choose the best book if you'd prefer reading a book. As long as we know about how is important some sort of book Residents' Teaching Skills. You can add understanding and of course you can around the world with a book. Absolutely right, simply because from book you can know everything! From your country until foreign or abroad you will end up known. About simple thing until wonderful thing you could know that. In this era, we can open a book or even searching by internet gadget. It is called e-book. You need to use it when you feel fed up to go to the library. Let's learn.

Mildred Perkins:

As people who live in the particular modest era should be update about what going on or info even knowledge to make them keep up with the era which is always change and move forward. Some of you maybe will certainly update themselves by reading through books. It is a good choice for yourself but the problems coming to an individual is you don't know what kind you should start with. This Residents' Teaching Skills is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and want in this era.

Harold Baughman:

Nowadays reading books become more and more than want or need but also be a life style. This reading habit give you lot of advantages. Associate programs you got of course the knowledge even the information inside the book that will improve your knowledge and information. The information you get based on what kind of book you read, if you want send more knowledge just go with knowledge books but if you want sense happy read one along with theme for entertaining such as comic or novel. Typically the Residents' Teaching Skills is kind of publication which is giving the reader capricious experience.

Michael Earl:

That e-book can make you to feel relax. This kind of book Residents' Teaching Skills was bright colored and of course has pictures on there. As we know that book Residents' Teaching Skills has many kinds or genre. Start from kids until adolescents. For example Naruto or Private investigator Conan you can read and feel that you are the character on there. So , not at all of book are usually make you bored, any it makes you feel happy, fun and unwind. Try to choose the best book for yourself and try to like reading in which.
