Aira is at it again yall. The ex-school teacher is now happily married and a full-time mother. She and Adam has provided love and security for their family in the big house nestled between trees on the land he had always dreamed of owning. Is there a such thing as happily ever after? Or is it more realistic to take it day by day? They wanted it all and went after it, and Aira's journal became thick with her ideas, poems and stories of The Mayfield's and their big crazy family. Still grounded in traditions, her friendship with Mercedes and Debra, she describes in her special way the detail of their lives, and the bond that helps them all through the changes and adversity we all journey through each day. They are wild, loyal and generous just like the people you know.
