## Essentials of Business and Online Commerce Law Henry R. Cheeseman

*Essentials of Business Law, 1e* takes a balanced approach and covers both the Contracts and the Regulatory material that is crucial for Business Law professions. It is light on Contracts, making it more appropriate for those who want a briefer, less expensive book that still covers all the topics. Business decisions; online commerce & Internet law; business ethics; international law; contemporary environment and non internet-related legal issues; and landmark cases which highlight the most important cases and statutes that have shaped the law in the United States. For those currently practicing in legal and/or business environments.
