Born Of Light (Change Of Fates) (Volume 1) Danielle Carroll

Have you ever wondered what it would be like to be immortal? To stalk the evil that preys on the innocent day and night? That's my existence and it is dark and dangerous. And I love it. At least I thought so up until I get struck by a car by the woman I was trying to protect. She's witty, sexy, intelligent...everything I try to avoid. My attraction to Selene Matthews goes against everything I am. I find myself feeling things for her I have never felt before. No matter how hard I try, I can't seem to fight against the attraction. But, I'm not the only one who's eye she's caught. An old enemy of mine has finally caught up to me and threatens the woman I care about. Can she love a man whose heart has been closed off for centuries, though? A man whose line of work means danger will be lurking around every corner? Connor O'More
