What if There Were No Accidents?

A young boy fears his father might have suffered the same fate as his dead mother.

A couple races the clock to deliver their first child, as fate conspires against them.

A man makes the most of his "extra day," nudged along by a wise book seller who may be weaving fate's tapestry.

A burned-out cop, haunted by fate's cruelty, throws the dice on love.

A woman struggles for independence from her family ... and her past.

A self-made multi-millionaire returns home to find the one thing he could never have.

A woman's run of incredible luck burns to ash.

A chef hosts a party with a surprise guest of honor, and an unwelcome visitor from her past.

A dying man's final wish is granted.

What if there were no accidents?

Seemingly separate lives are entwined and on a collision course during the four seasons of a single year.

Join a sprawling cast of characters for the re-release of *Four Seasons*, 12 short stories woven through a single narrative. *Four Seasons* is a *Peyton Place* style story told with a Robert Altman style narrative, exploring the ways we're all connected — whether we know it or not. *Four Seasons* is a meditation on love, fate, synchronicity, and the secrets we keep from others. And ourselves.

This is Sean Platt's first book, originally written in 2009.
