## HCSB The Police Officer's Bible

The events of September 11, 2001 brought to our awareness the quiet heroism at work in both the large cities and the small towns and villages across the U.S. Every day police, men and women, put their lives on the line as servants of God, restraining the evil that seeks to destroy society. In the U.S. a police officer dies in the line of duty every 57 hours. Not only that, facing the worst elements in society exacts a toll both personally and in the family of police officers.

God's Word provides both power and perspective for these who are on the frontlines of our cities and villages. The Holman Christian Standard Policeman's Bible is designed specifically for these who serve in a clearly God-ordained role. It contains devotions, prayers, and suggested Scripture readings for a wide variety of occasions.

This is a perfect gift for a policeman who are from family or churches who want to stand with these who are called to risk so much.
