Industrial relations in Canada Stuart Marshall Jamieson

This text presents a hands-on examination of industrial relations balanced in both theoretical and practical coverage, as well as union and labour coverage. Industrial Relations in Canada is grounded in leading research and examines true-to-life issues. Experiential exercises, cases, and collective bargaining simulations bridge the academic content of the text with real-world issues in the field. Additionally, since many students may pursue a career in human resources, each chapter includes RPC (Required Professional Capabilities) icons, which represent the learning objectives for the Certified Human Resources Professional (CHRP) designation.
