## Living Our Story: Narrative Leadership and Congregational Culture (The Narrative Leadership Collection)

*Living Our Story* explores how good narrative work—the retrieval, construction, and performance of valued stories—takes place in ministry. Authors Larry A. Golemon, Lee Ramsey, N. Graham Standish, Tim Shapiro, Carol Johnson, Mike Mather, Niles Elliot Goldstein, and Diana Butler Bass examine this question from a variety of perspectives, including the role of the pastor or rabbi as narrative leader, the sacred and mundane stories that shape congregational life and identity, storytelling as a means of community building, and story sharing as a practice of hospitality. Through the stories they themselves tell, these authors show how stories witness to God's presence in the unfolding of human life, and how the best leaders craft stories that reveal how God is at work among the people and inspire them to become a part of this larger story.
