Stone Butch Blues Leslie Feinberg

Published in 1993, this brave, original novel is considered to be the finest account ever written of the complexities of a transgendered existence. Woman or man? That's the question that rages like a storm around Jess Goldberg, clouding her life and her identity. Growing up differently gendered in a blue-collar town in the 1950s, coming out as a butch in the bars and factories of the prefeminist 60s, deciding to pass as a man in order to survive when she is left without work or a community in the early 70s. This powerful, provocative and deeply moving novel sees Jess coming full circle, she learns to accept the complexities of being a transgendered person in a world demanding simple explanations: a he-she emerging whole, weathering the turbulence.

From reader reviews:

Jean Spence:

The book Stone Butch Blues can give more knowledge and information about everything you want. So why must we leave a good thing like a book Stone Butch Blues? Wide variety you have a different opinion about book. But one aim that book can give many facts for us. It is absolutely right. Right now, try to closer together with your book. Knowledge or details that you take for that, you are able to give for each other; you are able to share all of these. Book Stone Butch Blues has simple shape however you know: it has great and big function for you. You can look the enormous world by start and read a publication. So it is very wonderful.

Michael Herndon:

Nowadays reading books be than want or need but also become a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge the rest of the information inside the book which improve your knowledge and information. The information you get based on what kind of reserve you read, if you want send more knowledge just go with education and learning books but if you want really feel happy read one together with theme for entertaining like comic or novel. Often the Stone Butch Blues is kind of book which is giving the reader erratic experience.

Avril Morris:

Information is provisions for those to get better life, information nowadays can get by anyone with everywhere. The information can be a knowledge or any news even an issue. What people must be consider while those information which is inside former life are difficult to be find than now's taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you get the unstable resource then you obtain it as your main information it will have huge disadvantage for you. All of those possibilities will not happen within you if you take Stone Butch Blues as your daily resource information.

Joan Green:

Do you like reading a publication? Confuse to looking for your preferred book? Or your book has been rare? Why so many question for the book? But just about any people feel that they enjoy to get reading. Some people likes studying, not only science book but novel and Stone Butch Blues or perhaps others sources were given expertise for you. After you know how the truly great a book, you feel would like to read more and more. Science guide was created for teacher or maybe students especially. Those books are helping them to include their knowledge. In some other case, beside science publication, any other book likes Stone Butch Blues to make your spare time more colorful. Many types of book like this.
