No Bigotry Allowed: Losing the Spirit of Fear: Towards the Conversation about Race Ronald Bonner
This spirited volume is designed for those serious about discussing race in an intelligent and meaningful way. This "jewel of a book" offers a solid foundation for developing an honest conversation about the issues of racism. No Bigotry Allowed provides a short yet powerful guide to bridging racial problems. This book will help the reader better understand why racism and white supremacy are so entrenched in our color-blind society. The book is not trying to be an exhaustive volume but a dose of reality that is often avoided in conversations about race, racism, and white supremacy. This book can better inform those who are willing to have honest and frank conversations about the issues of race. By using a prism approach the book opens the blight that is racism into three areas that can be addressed and properly resolved. Honest communication is built on truth and integrity and upon respect of the one for the other. Benjamin E. Mays
