All the President's Men

Bob Woodward, Carl Bernstein

All the President's Men Bob Woodward, Carl Bernstein

The most devastating political detective story of the century: the inside account of the two Washington Post reporters who broke the Watergate scandal, now with a 40th anniversary Afterword on the legacies of Watergate and Richard Nixon.

This is the book that changed America. Published just months before President Nixon's resignation, *All the President's Men* revealed the full scope of the scandal and introduced for the first time the mysterious "Deep Throat." Beginning with the story of a simple burglary at Democratic headquarters and then continuing through headline after headline, Bernstein and Woodward deliver a riveting firsthand account of their reporting. Their explosive reports won a Pulitzer Prize for *The Washington Post*, toppled the president, and have since inspired generations of reporters.

All the President's Men is a riveting detective story, capturing the exhilarating rush of the biggest presidential scandal in US history as it unfolded in real time. It is, as *Time* magazine wrote in their All-Time 100 Best Nonfiction Books list, "the work that brought down a presidency...perhaps the most influential piece of journalism in history."
