Could America be the beast of the earth from Revelation 13? Is this beast's number the number of a man because the country is named after a man, Americo Vespuccio? And does Americo add up to the number of the beast? These questions are explored in context with the rest of Revelation 13, as well as Revelation 12-18 and Daniel 7.

Revelation 13 is finally revealed in a way that not only makes logical sense, but is perhaps more unsettling than even the appearance of the Antichrist would be, because most of what is expected from the Antichrist has already happened.

Identifying the beasts, and the woman who is riding on the beast of the sea leaves one with a new found appreciation for just how dangerous a time we live in for the true believer. But even as dangerous a time as it is, it still is not too late.
