Middle School: Get Me out of Here! James Patterson, Chris Tebbetts

James Patterson's winning follow-up to the #1 *New York Times* bestseller *Middle School, The Worst Years of My Life*--which the *LA Times* called "a perfectly pitched novel"--is another riotous and heartwarming story about living large.

After sixth grade, the very *worst* year of his life, Rafe Khatchadorian thinks he has it made in seventh grade. He's been accepted to art school in the big city and imagines a math-and-history-free fun zone. *Wrong!* It's more competitive than Rafe ever expected, and to score big in class, he needs to find a way to turn his boring life into the inspiration for a work of art. His method? Operation: Get a Life! Anything he's never done before, he's going to do it, from learning to play poker to going to a modern art museum. But when his newest mission uncovers secrets about the family Rafe's never known, he has to decide if he's ready to have his world turned upside down. (Includes over 100 illustrations.)
