For those seeking to lay a firm foundation for a life-long love of literature, look no farther. These guides and the books they cover contain all the questions, activities and projects needed to fan into flame a student's passion for reading.

These books represent all that is good about children's literature. For those finishing up the Phonics Museum, this is the next step. For those using other reading programs, do not miss this level of development. This year is a magical time in the student's reading journey, and these collections of books will nurture a deep appreciation for quality literature.

In Volume Two, students are given reading comprehension questions that are building in difficulty. It also boasts many "extras" as well, including a recipe for stone soup. This guide has handwriting exercises for each book covered, a clear icon system for the teachers to follow, and simple instructions for the students to follow in order to foster independent work.
