'The Drop Ship Pitfalls' is a short and straight to the point eBook that is focused on simple but deadly mistakes some Drop Shippers make while running their businesses. The eBook discuss in details 7 Pitfalls or Problems, which a Drop Shipper is bound to encounter while running a drop shipping business. The Drop shipping business like every other eCommerce business is built on integrity, and these problems if not handled promptly and efficiently can shake up the integrity of your business and guess what, no customer wants to ever buy from a seller whose integrity is questionable; that is the reason why I took the extra step to outline quick solutions on how to deal with each of these pitfalls and keep a clean slate integrity for your business. Some of the issues that are covered in this eBook include;

- The real deal in drop shipping.
- 3 common mistakes Drop Shippers make that dwindle their business.
- 7 pitfalls of drop shipping business that can cause a drop shipper his business; some of the pitfalls or problems outlined in the eBook are;
  - o Running out of stock (believe me, this is one situation you don't wish to run into while running your drop shipping business)
  - o Handling fraud in business
  - o Delay in processing orders. And many more
