## **Paula** Isabell Allende

En diciembre de 1991, Paula cae enferma de porfiaría, es este un momento fundamental para la escritora, pues aquí comienza a escribirle, en un sencillo cuaderno, a su hija la historia familiar, como se conocieron sus bisabuelos, abuelos, Isabel con Michael y Willie y por último Paula con su amado Ernesto, para que cuando despierte, ayudarla a recuperar la memoria. Escribe aquí la soledad y sufrimiento que siente estar sentada todo el día junto a una camilla, sobre ella, su hija paralizada con quien ha vivido maravillosos 28 años, a su alrededor desoladores pasillos blancos del hospital de Madrid. Debe tolerar a diario los devastadores informes de los doctores sobre la salud de su hija, todos le aseguran que morirá, le dicen que la deje ir, que su egoísmo pero a la vez amor indefinido a superado limites, su yerno Ernesto, visita a Paula a diario, demostrándole el profundo amor que siente, por momentos se rinde, le pide a Dios que termine con ese sufrimiento, pero Isabel no, resiste, tiene toda una vida planeada para cuando llegue el esperado momento en que su hija se recupere. En un principio Isabel tiene el apoyo físico de su madre, pues junto a ella, están en una reducida habitación de hotel en Madrid, pero luego el cansancio la supera y decide volver a California, aun así su marido Willie vuela interminables horas para apoyar a su mujer, la visita una o dos veces por mes. Con el tiempo, Paula comienza a ser un objeto de observación e investigación, la desinteresada y la poca profesionalidad de la atención de los médicos provoca que Isabel quiera llevarse a su hija a California, pero no puede debido a su delicada salud, cursos enteros de estudiantes de medicina estudian a Paula pero sin ningún signo de respeto, amigos y familiares visitan a Paula y apoyan a Isabel en ese difícil desafío que la vida le ha dado.

### From reader reviews:

#### **John Buckner:**

What do you think of book? It is just for students as they are still students or this for all people in the world, what the best subject for that? Just simply you can be answered for that question above. Every person has distinct personality and hobby per other. Don't to be compelled someone or something that they don't would like do that. You must know how great and also important the book Paula. All type of book would you see on many resources. You can look for the internet resources or other social media.

#### **Michael Campbell:**

Book is to be different for every grade. Book for children right up until adult are different content. We all know that that book is very important for people. The book Paula ended up being making you to know about other understanding and of course you can take more information. It is very advantages for you. The publication Paula is not only giving you considerably more new information but also to be your friend when you experience bored. You can spend your personal spend time to read your reserve. Try to make relationship with all the book Paula. You never feel lose out for everything in the event you read some books.

#### **Joey Mendoza:**

This Paula is completely new way for you who has interest to look for some information since it relief your hunger info. Getting deeper you onto it getting knowledge more you know or else you who still having little digest in reading this Paula can be the light food for you personally because the information inside this book is easy to get by anyone. These books build itself in the form that is reachable by anyone, yes I mean in the e-book type. People who think that in reserve form make them feel tired even dizzy this guide is the answer. So there is absolutely no in reading a publication especially this one. You can find actually looking for. It should be here for anyone. So , don't miss that! Just read this e-book kind for your better life and knowledge.

#### **Carolyn Charles:**

In this particular era which is the greater man or woman or who has ability in doing something more are more special than other. Do you want to become one of it? It is just simple solution to have that. What you are related is just spending your time almost no but quite enough to have a look at some books. Among the books in the top listing in your reading list is definitely Paula. This book and that is qualified as The Hungry Mountains can get you closer in turning out to be precious person. By looking way up and review this reserve you can get many advantages.
